

GHOSTLY END MADE
IN MURDER OF GIRLPolice Discover Stone Operating
Table in Woods, Where She
Met Her Death.

WAYNESBURG, Pa., Sept. 14.—On a crude operating table made from stones heaped high, pretty Nettie Poland, whose nude body was found in an abandoned automobile yesterday, met her death.

Detectives investigating the death of the girl and the suicide of her admirer, Dr. J. L. Silvert, found the operating platform today, hidden among the bushes in a dense woods.

Above the "table" the physician had hung a lantern upon a pole to furnish light for the operation that caused the girl's death.

The police are certain that the girl died in the woods, and that her body was carried to the automobile where it was found.

Ducks Find Gold Mine;
Butcher Is Prospector

OTTAWA, Kan., Sept. 14.—According to word received from Dr. J. Scott Walker, of Chetopa, by his brother, G. Walker, of this city, a prospecting party have no more reason to become excited about gold than Chetopa.

A Denver commission man came all the way to Chetopa to investigate. For three years past the Chetopa poultry dealer has been shipping large consignments of ducks to the Denver man, who regularly found a quantity of gold in the gizzards of the birds. Particles the size of pin heads were found and the total amount usually netted a tidy sum for the commission merchant, in addition to his profits for handling the ducks.

He went out to the district whence the ducks came and looked around, after which he slipped quietly back to Denver. But the price of land near Chetopa increased materially as a result of his visit when the news leaked out.

Gets 50 Cents He Lent
Woolworth in 1875

WATERTOWN, N. Y., Sept. 14.—Frank W. Woolworth, owner of millions, is worth at least 50 cents less than he was when he arrived in this city today and met "Huckleberry Charlie" Sherman.

Forty years ago, when the big syndicate men and "Huckleberry Charlie" played as boys near Great Bend, the future millionaire needed 50 cents to go to a road circus, Charlie furnished the money.

Today, as Mr. Woolworth alighted from his automobile in front of the Woodruff House here, Charlie was on hand to press the claim. Mr. Woolworth paid the debt.

To Curb Crazy River.

ST. LOUIS, Sept. 14.—The River Des Peres, which recently grew from an insignificant trickle of yellow water to a torrent that engulfed the greater part of St. Louis' West end, caused damage estimated at \$1,000,000, and subsided as quickly as it rose, is going to be curbed. A temporary organization of business men has been formed with a view to financing the undertaking, and it is expected that the board of aldermen will authorize a bond issue to aid in the building of levees. The levees probably will be decorative, as it is seldom they will be put to the practical purpose of protecting the city from flood. Eleven persons perished and about 10,000 were made idle by the recent flood. Hundreds were homeless.
